

SUGAR-MAKING DAYS ARE HERE IN ONTARIO'S MAPLE WOODS

MAKING MAPLE SYRUP THE GOOD OLD WAY. BOILING DOWN THE SAP IN THE "POTASH KETTLE" OVER THE OPEN FIRE.

MAKING MAPLE SYRUP UP IN PARRY SOUND DISTRICT. THE STONE FIRE-PLACE AND THE BIG DISHPAN MAKE SYRUP JUST AS GOOD AS (MANY SAY MUCH BETTER THAN) THAT MADE WITH MORE MODERN METHODS.

AN OPEN PAN BOILING SAP IN BUSH. THIS GIVES REAL OLD-TIME FLAVOR, AND IS USED WHERE ONLY LIMITED AMOUNT OF SAP HAS TO BE BOILED. IN THE DEVELOPMENT OF THE SUGAR-MAKING INDUSTRY, THE OPEN PAN FOLLOWED THE OLD "POTASH KETTLE."

THE CITY VISITOR WHO IS TRYING TO MAKE MAPLE SUGAR. HE IS TESTING THE HOT SYRUP ON THE SNOW PATCH IN THE WOODS.

TYPICAL MAPLE SUGAR CAMP. WHERE THE OPEN EVAPORATOR SYSTEM IS USED.

TAKING A GOOD SWIG OF THE MAPLE SAP. HE KNOWS THE TREES WHICH PRODUCE THE SWEETEST SAP, AND BELIEVES IN GETTING THE BEST OF THE LOT.

A SECTION OF A MODERN EVAPORATOR FOR CONVERTING MAPLE SAP TO MAPLE SYRUP. THE MACHINE IS VIRTUALLY AUTOMATIC IN ITS ACTION AND PRODUCES A FINE GRADE OF SYRUP.

DROPPING MAPLE SAP BY GRAVITY TO THE BOILING HOUSE AT FOOT OF HILL. THE SAP IS GATHERED AND EMPTIED INTO LARGE TRUCK SHOWN. A PIPE LEADS FROM THE LATTER TO THE SAP HOUSE, WHICH PERMITS THE LIQUID TO RUN TO THE EVAPORATORS AS REQUIRED.

COLLECTING THE SAP IN THE BUSH ON A "STONE BOAT" OR "GO DEVIL."

ONE OF THE LATEST AND LAST TYPES OF SAP BUCKETS. ITS COVER PREVENTS FLIES AND OTHER INSECTS FROM GETTING INTO THE SAP AND KEEPS THE WHOLE CLEAN AND COOL.

RECENT PORTRAITS OF MRS. MANNING DOHERTY AND HER CLEVER SISTERS

COSTUMES OF BOTH ORIENT AND OCCIDENT MINGLE AT PAGEANT OF TORONTO SKATING CLUB.

Old friends in strange and bizarre costumes give an "Arabian Nights" atmosphere of mystery and thrills to the always fascinating combination of ice and skates and frosty Canadian air. The photograph shows a group of the merry-makers at the carnival of the Toronto Skating Club.

The beautiful "news room" of the new house of commons, Ottawa. The floor is covered with thick rubber matting. It was in the news room of the old building that the fatal fire was supposed to have started.

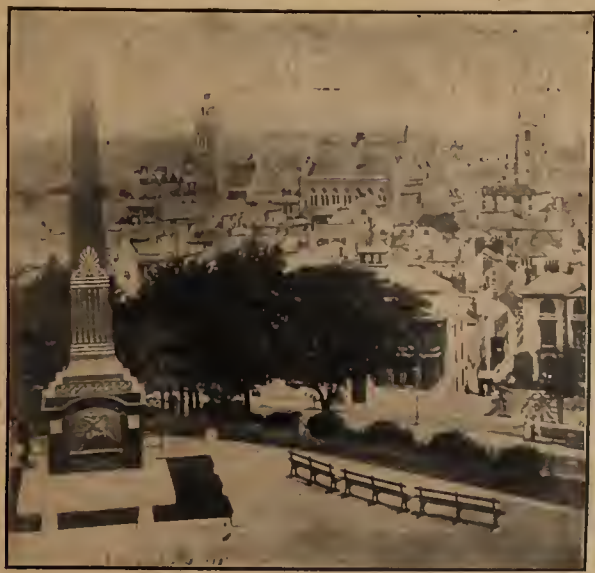

A farewell dinner was given in London to celebrate the official winding-up of the Canadian overseas military forces in England. A representative party of the last Canadians was present.

Young ladies are now thinking of their graduation day and Saks & Co. have designed this simple voile dress with a touch of embroidery as an inexpensive, happy solution.

Clifton with lavender flowers and a touch of yellow and green, combined with plain lavender organza. Designed by Reed & Co. On the hat is floating lavender ostrich and dull blue ribbon.

The photograph is a bird-eye view of the beautiful old city of Plymouth, England, as seen from the tower of the statue.

"Cabin de Luxe"

THIS great achievement of many years of successful canoe building is the "Dean" Cabin de Luxe Canoe. All the features necessary for comfort, speed and style are embodied in this very attractive model. Equipped with long deck, small cabin, and using throughout the "Dean" metallic joint construction system. Not only is the Cabin de Luxe Canoe the most attractive canoe on the market, but because of the high grade materials and expert labor, it ranks first in serviceability.

We also manufacture Launches and Rowboats of all kinds, including the popular "Sunside Torpedo" Canoe, "Miss Kite" and "Miss Kite", Launches, and aquatic accessories of all kinds.

The Most Beautiful Women

In history have been those superb creatures with the magnificent figures. A poor figure will spoil the loveliest face. But a well developed form will redeem the plainest features. All women can have the allure and charm they so rightly crave. The French CORSIQUE Treatment, evolved by Mme. Thora, will bring shapely lines to the thinnest figure. A simple home treatment of bust development, guaranteed to increase the bust by six inches and to fill all hollows in neck and chest. Used by society and stage favorites for twenty years. Particulars sent free in Mme. Thora's beauty book—in plain sealed cover. Write for it today. All letters strictly confidential—and answered by women.

For the convenience of our United States clients we have an agency in that country.

Begin this treatment—at once—and make yourself beautiful.

Our charming young Prince of Wales comes honestly by a great deal of his affability of manner, as is shown by this photograph of his royal father. King George is here seen shaking hands and chatting with wounded soldiers during the third round of the P. A. cup race, between Chelsea and Leicester City at Stamford Bridge, England.

The two pictures on the left show the collection of lights necessary for use in an up-to-date movie studio, while at the right is a library scene, constructed with as minute attention to richness of material and detail as in a real palatial residence. See Theatre Section for article in this connection.

Group of employees who have been in service of the same firm from twenty-five to fifty years and over. They are employees of Robertson Bros., wholesale confectioners, Toronto.

Cold weather and stormy days have no terrors for the Boy Scout. This picture was taken during the last zero snap and shows what little importance they place upon outward garments when off on a frolic.

These sturdy young "pages" seem to consider this a very interesting lull and indeed it is, for it is the first which has been lit in the waiting room of the new house of commons, Ottawa.

This massive stone "glide," with an "equator" of different formation, lies in the Credit river, between cataract and the forks of the Credit. It is a puzzle to scientific gentlemen.
